BINDER

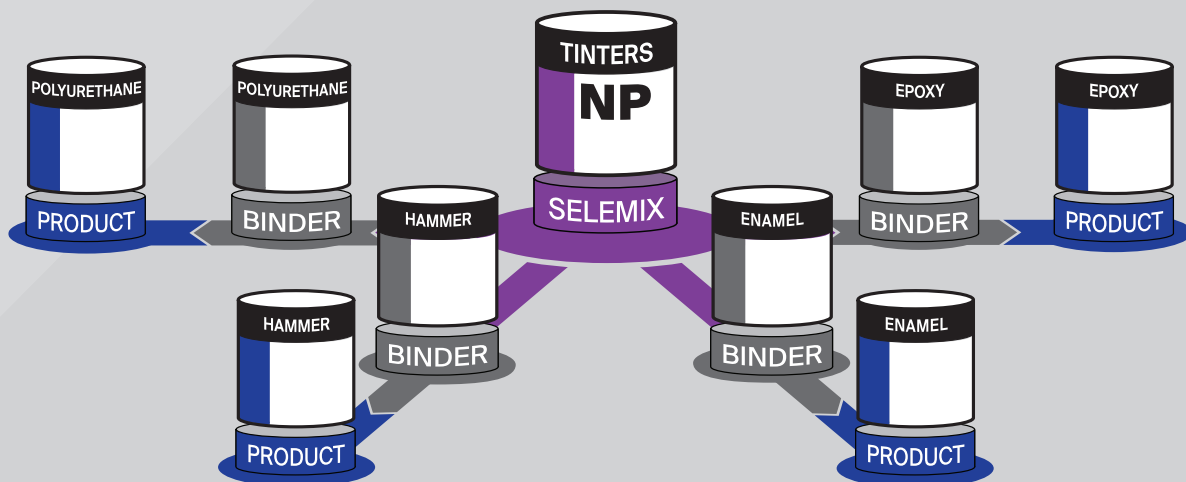

MIXED COLOUR

Whatever your requirements, *Selemix* System is the perfect solution for an impeccable finish

SELEMIX[®] SYSTEM

The versatile *Selemix* System comprises a range of high quality, concentrated colour tinters and a comprehensive selection of binders which are specifically designed for commercial and industrial applications.

Utilising the *Selemix* universal tinter system enables the Commercial Performance Coatings product range to be formulated in excess of 9,000 colours including the AS2700 and RAL colour ranges, as well as a range of gloss levels.

Combining the compact range of concentrated tinters with a wide choice of binders ensures high quality, reliable paint products in exactly the right colour.
